

Round Table Discussion:

"The Stories Behind the Medicinal Chemists in Industry"

Panelist:

Ms Helen Aylott (GSK, United Kingdom)

Helen Aylott works in the Medicinal Chemistry department at GSK in Stevenage as a lab-based chemist.

She obtained her undergraduate Masters degree in Chemistry from the University of Sheffield in 2014 and joined GSK as a graduate chemist a few months later.

While at GSK, Helen has worked on a range of medicinal chemistry projects as well as completing a 6-month secondment in process chemistry in 2016.
